ACKNOWLEDGMENT

First of all immense gratitude goes to God for his guidance throughout the accomplishment of this project. Our sincere appreciation goes to our mentor Mr. Victor who despite his tight activities was ready to give valuable advice to the quality of our research and the project as a whole. Thanks for supervising this project, God bless you.

This project would not be accomplished without the keen support from our families and financially and otherwise. Thanks for your encouragement.

Finally, we congratulate ourselves for our effort, valuable ideas we shared and cooperation to see this project is completed successfully.

INTRODUCTION

The world is going global. Times are really changing, technology is taking over. The height of development is growing rapidly. New innovative ideas are evolving daily in health, food, surrounding, educational, tech etc. Due to this, lot of pitching even is taking place in the internet today on different web platforms to get users and customers informed about a product, new technologies in order to make them aware proximity of they can be educated.

Bakerz Bite is a website which goal is to promote our bakery business online and increase brand awareness.

TECHNOLOGY USED:

- (a) Hypertext Markup Language 5 (HTML 5)
- (b) Cascading Stylesheet (CSS)
- (c) Javascript (JS)
- (d) Visual Studio Code
- (e) Bootstrap CSS framework

CURRENT STATUS OF PROJECT DEVELOPMENT

The project has been completed.

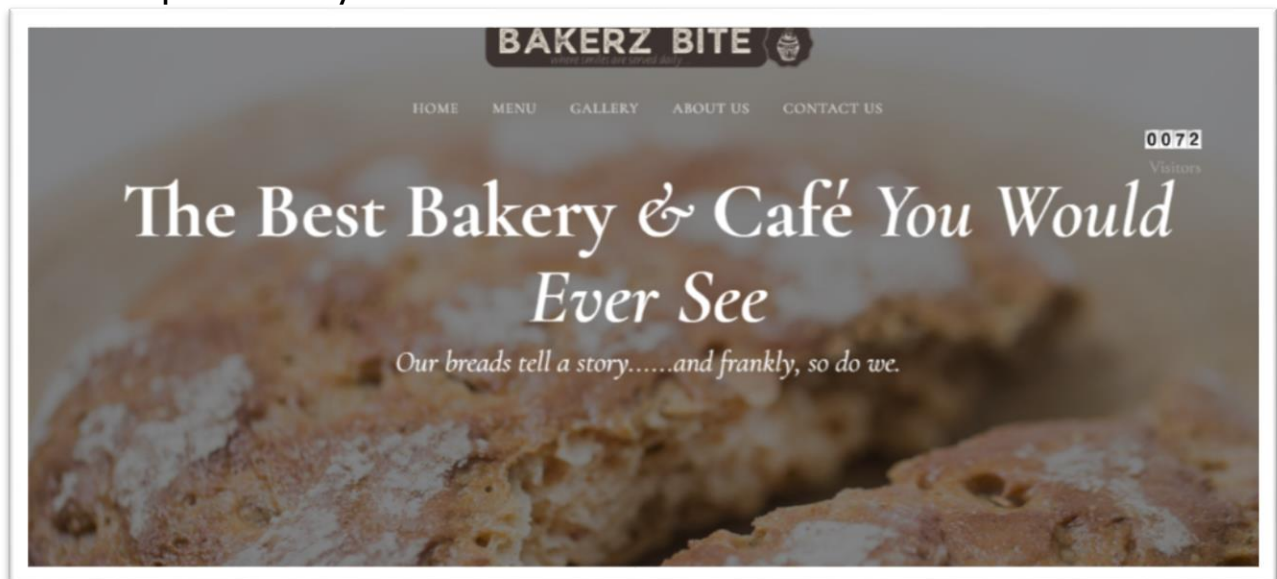

TARGET AUDIENCE

Bakerz Bite is a platform or site for all. As if someone is working class, business executives, a teacher, or a student, there will always be need for a bakery.

USER GUIDE AND SCREENSHOTS

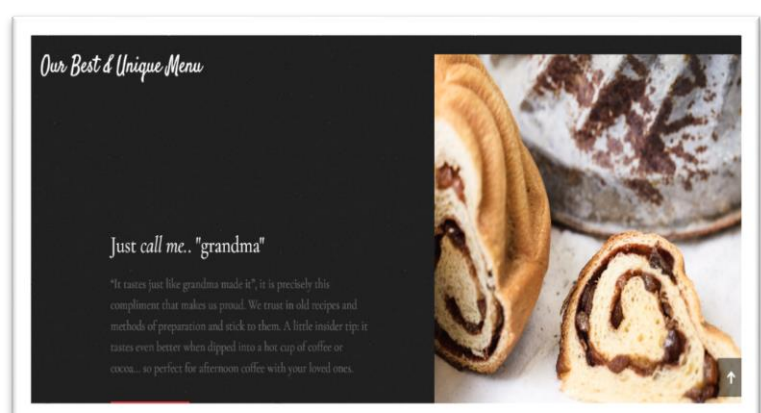

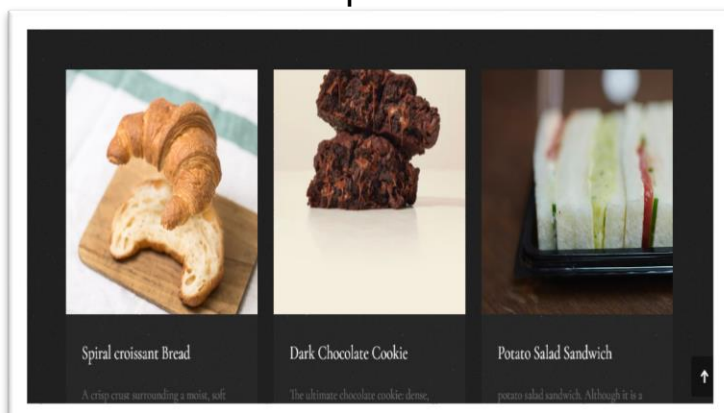

Home Page

Bakerz Bite is a one page site with different well-linked sections of information. It consist of a side bar which gives you a little of what Bakerz Bite offers and also a Menu to get information on the available goods and services provided by us.

MENU

Our menu shows you various offers of tasty and delicious pastries we have to offer with prices which are affordable.

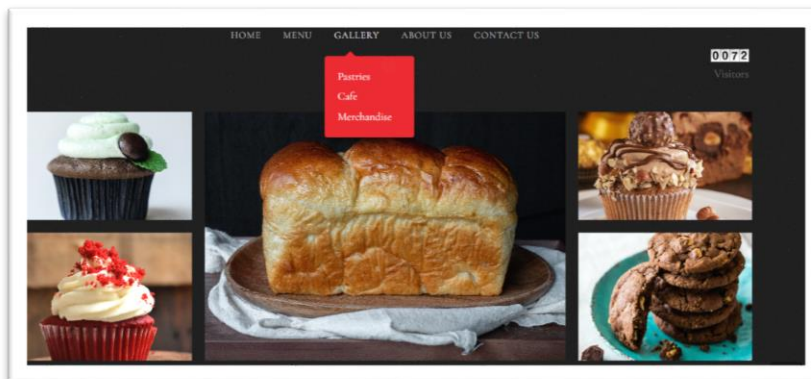

GALLERY

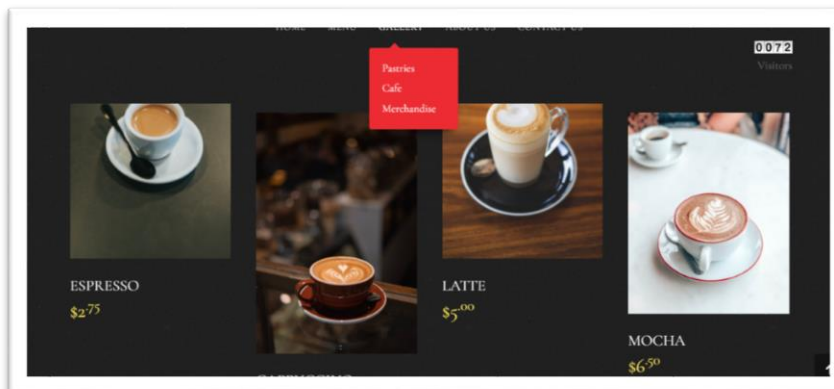

This section contains a dropdown button consisting of our different goods and services we provide for our customers. If you want to see what we offer, it takes you to the different sections of products we have available.

The sub-sections are as follows:

- **Pastries:** As the name entails "Bakerz Bite" we offer our very own delicious baked pastries of varieties to our customer. We also ensure that they are served or distributed on time and packaged properly for the satisfaction of our customers.

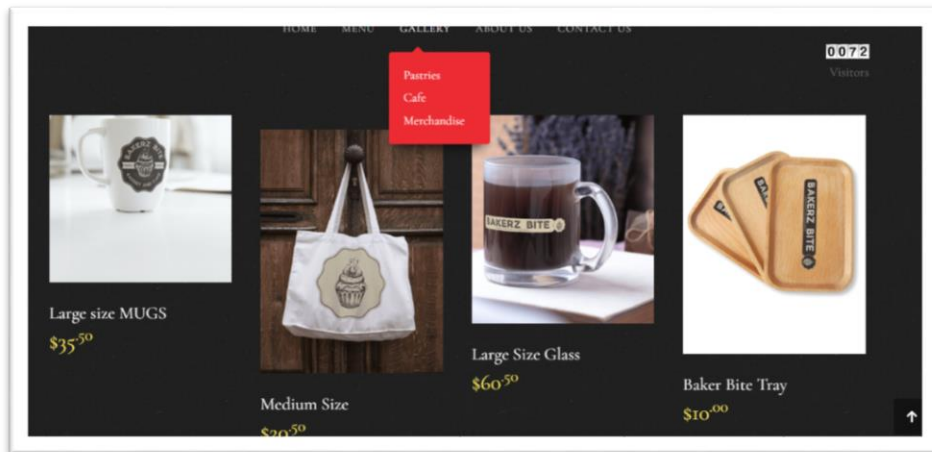

- **Café:** We as an organization have identified that sometimes, taking pastries alone could be dry and also to some of our customers unsatisfiable, which we have replied with introduction of a café, which gives our customers a more satisfied meal and a more tasty one at that too.

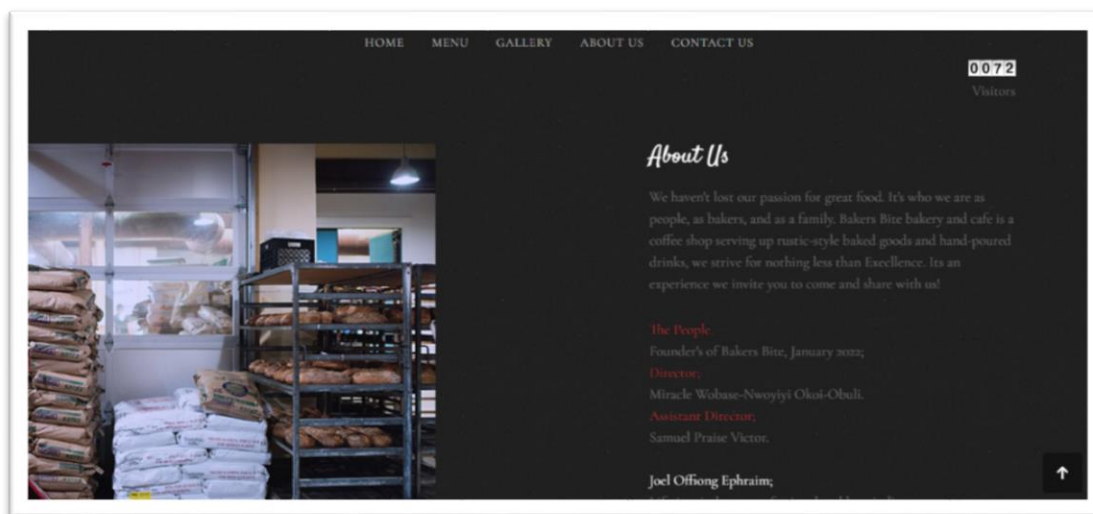

- **Merchandise:** In order to make sure we tick all the checklist of a modern bakery, we also have provided a merchandise to even satisfy our customers more. The merchandise will allow us to communicate

with our customers even while they are outside of our bakery as it will be a signage between us and customers, which would bring about loyalty and trust as well as boost the sales of our company.

ABOUT US

We the Bakerz Bite Bakery was established on January, 2022. We do not provide online services but we still provide services offline which you will have to drop by our store to get our products. As you can see from our menu and gallery we offer pastries, coffee and merchandise. We are located at No. 3 Off Bedwell Road By Green Valley, Calabar, Cross River State, Nigeria.
